[Sigur Ros-Gobbledigook.](#)

I'm really surprised that people are mentioning Rocksmith introducing them to this song. I never expect anything highly of Rock Band, Guitar Hero, and Rocksmith's choice in music. But here they are, having this.

What I find better about Rocksmith is it actually has you use an actual guitar. While Rock Band and Guitar have you use fake instruments, where you aren't really learning. If I were to get one of those games, it'd be Rocksmith.

## Middle Class Rut-Busy Bein' Born.

I kinda forgot about these guys until I looked through my music. I don't typically like this kind of vocals.

This song used to play on the radio all the time, and it annoyed the hell out of me. So when it stopped playing, I was quite happy. Now, it has grown on me. Shows how much my music taste has changed.

all my stars aligned, st. vincent

pretty nice. makes a change from all the metal i guess.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
