Ah, I love this, since it's both completely justified and as likely to be obeyed or cared about as your average *Grand Theft Auto* traffic light. Hmm.. wait, *why am I hearing ominous music?*

### \*ASHOTU SLOWLY RISES OVER THE HORIZON\*

#### The Abandoned Coca-Cola Headquarters in Atlanta, GA

After yet another generic zombie apocalypse broke out and overwhelmed the world, a group of Atlanta survivors found salvation and safe-haven in the old headquarters of the **Coca-Cola Company**. From there, they've created a **rudimentary small-scale society**, based on **barter**, **Coke consumption** and **firearms**. Baking in the **hot Georgia sun**, and their only respite and refreshment being various flavors of carbonated cola, they've also gone **slightly insane**. **React accordingly**.

Comrade Kučera visits agricultural collective in Střední Země, plants trees with local farmers

For a brief moment my intrusive thoughts took over and I misunderstood that this guy replaced trees with farmers' bodies and started planting farmers' bodies in the ground instead
