Possessing anything banned in BN.

Because AN didnt put anything I will go with aan

Depending on what was in possession it ranges between a small fine (£65 equivalent) for stuff like shoplifting and being caught with the stolen item to possessing a large amount of illegal weapons which can result in life in a maximum security prison and if the illegal weapons were used for any capital crimes you will receive the death penalty

What would one get for planning and executing a murder

The citizen will wake up and notice, and proceed to behead you. Most houses are made of wood, so yeah. You will be fed to the hogs should you survive, somehow.

Shoving YL into a prison cell, then proceed to drop heavy bags of meat on them until they die?

I have no idea what this is, so no punishment.

What's the crime?

Wearing purple, the imperial color, without the privilege of doing so.

"I swear by Almighty God that I will faithfully serve and obey the Divine Augustus, as our Lord and Master, and hold him alone as my true, dread sovereign and prince.
