Is that Malaya? Or Singapore? Because those two are the first former British colonies that fits the criteria and came to mind.

The People's Republic of Hussija stands as a united Hussite socialist country in Central America.

You know, I initially thought this was screaming "Ortega authoritarian" and "unrealistic" but, reading your factbooks and participating in RPs, that's certainly changed my view. While I can't agree with socialism, Hussija is far from a bad country. And also, if I may say it, for a nation that doesn't use NS stats, they're frightfully similar to what you say in your factbooks.

**Khoikhoia • The Khoikhois Republic • NS Stats and WA resolutions were jailed for war crimes they committed from 1974 to 1991**

I commend genuine anti-summies like Buhers (RIP) but not the emerging radical anti-summies (RASs) who drop a /stillme even for responses with basic effort. Both summies and RASs will be voided when they show their true colours

So you're against the newbies.

~~How dare you? Buhers is a summie too!~~

Buhers is not genuine. For a while, Buhers hated me even though I am not a summerposter. I had many other friends at that time, but Buhers' posts were very short and often, they mocked people. I don't understand those that like Buhers. I do understand all those people who like NTR, though. NTR was actually a good person (even though I never saw them for long) while Buhers...targeted me. And my friends used to think they were funny. Especially my former bestie, who I will not name here. But soon, I showed them Buhers' true colors. And the true colors of other anti-summies too. They all went for me, but they stopped going for me later on.

Ugh, Ninja'd!
