About 6/10, looks too backwards and tribal to be capable of much international evil but probably doesn't treat women and gays well

We don't use NS stats.

3/10. It's mostly the abundance of blue I think... Such a calming color...

### In Character info

The Commonwealth of Atlantartctica is a continental-sized federation much like that of the UK. Founded in the early 2060s, Atlantartctica's economy has recently flourished due to its tourism industry and friendly relations towards its neighbors. Atlantartctica is **against** weapons of mass destruction and advocate for pacifism. Atlantartctica is classified as a Tier 6, Type 4.5 nation (ns stats bad)

4/10 - looks rather conservative, but not "evil" per say.

We don't use NS stats.

3/10 - I assume this is the flag of peaceful religious people beholden peace, charity and science

... or of bloodthirsty zealots who wants to settle new lands and exterminate the heretics.

4/10 - seems to be the flag of some kind of constitutional monarchy. Seems to be generally conservative (though that isn't a bad thing necessarily) but not flat out evil

2/10 - Color and stars, mostly reminds me of the Justice League who were only a little bit bad.

5/10. The colour scheme... no no no.

Have I been here long enough to be considered an NS elder yet or no?
