Haven't actually ever seen them, despite their founding date. Going by post count, I'm going to say not very well known.

Republic of Oskenia

AAN - Being a TransFormers fan, they naturally caught my attention when I first saw them, but I only see them here rarely - not too well known.

AN - I see this flag more frequently - moderately well known.

Pretty well known, I've seen them around F7 ever since I started.

Alt-history united Scandinavian nation stemming from the Kalmar Union. This nation is a parliamentary monarchy similar to Great Britain and Denmark in the modern day.
