edgy

the hidden masters by the sword

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

I haven't heard a lot of them. That's a band I got from my dad listening to them. Along with Estradasphere. I think he may of even seen both live, not sure.
