Fairly known, their flag is recognizable and unforgettable once you've seen it, but I haven't seen them much on F7, though they are getting more recognized in this forum ☐

Probably has some type of presence in F7, but I can't say they're a celebrity.

Extremely well known, I frequently see them in F7 and I still hear stories about the great raid of their region, still look at that dispatch from time to time just to get a few laughs, and seeing as they are an RO in that region in question, they're most certainly a very significant user on this site
