And yes, I couldn't resist the urge to look up new music.

Sounds pleasant... I'm currently listening to the Minecraft Soundtrack. Most calming sh*t I've ever heard... ☐

Edit:

It's really good to listen to whilst doing homework. I highly

recommend it.

Political Compass: (OOC)

Left/**Right** 5.52

Libertarian/**Authoritarian** 1.23

Religious: I consider myself an Agnostic Christian, if that makes any sense. I've been asked too many times to explain, so if you ask, I won't explain.

Economy: I am a firm supporter of capitalism and economic libertarianism.

General: I enjoy a good, intelligent debate, but I can get pretty heated on some subjects.

I've been away for a few months, and I'm trying to get back into the community so bear with me hahaha

I was actually surprised Minecraft had music I found to be relatively enjoyable. It works really well for the game.

I might be able to find something more calming, though
