St. Vincent-Prince Johnny

I can't remember if I ever suggested St. Vincent to you, Magma. I dunno if you'd like her or not but I am a bit curious ☐ She's got a wide range of pop music.

I don't know how I missed this... ☐

Never heard of her. Might listen to one of her albums in a little while.

Well, hey ,you found what I said in the end ☐

This Will Destroy You-Leather Wings

This kind of post-rock isn't as exciting to me anymore as it used to be...I prefer more experimental post-rock bands.

Though, this album has some of my favorite post-rock songs, this one just seems kinda boring.
