getting rid of the thought police

My country may seem memey at times, and that's fine. I like a mix of fun and serious. I also have to work with a nation I made when I was in *fourth grade*.

Fun, casual, nonsensical

funnee joke - will update once in a while

more useless info

how do you make these go to the right lol

Pol Pot

[VlaRiSsia](#)'s oldest puppet who was revived out of boredom. NS stats were accused of heresy and burned at the stake.

The Tilminese Federation is a totalitarian fascist theocracy ruled with an iron fist by [The Overseers](#), a fanatical organization of theocratic fundamentalists seeking to eradicate 'modern degeneracy'. Has scenic architecture, no light pollution, quiet streets and public executions for the smallest crimes. On and one in every four Tilminese has died from starvation, disease, execution, forced labor, and genocide ever since the Overseers have taken power but that's not too important.

For every reply deemed by The Overseers as 'boring', they will massacre and raze a village. Number of villages razed: 21

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.
