John F Kennedy was also a pretty open minded person.

Abe Lincoln was pretty good about keeping his mind open to new ideas (especially Southern ones) post-Civil War.

U.S.S. ENTERPRISE (CV-6)
"HIT HARD! HIT FAST! HIT OFTEN!"

□ □ □ □

Built as the second Yorktown-class aircraft carrier of the United States Navy. The only ship of her class to survive World War II, she was the single most decorated ship in the Navy, having participated in numerous major battles and scored numerous kills on enemy ships and aircraft to earn herself a total of 20 Battle Stars. Despite efforts to convert her to a museum ship after her decommissioning in 1949, she would be sold for scrapping in 1958, with work finishing two years later.

The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.
