Somewhere in the Americas or Western Europe.

All pronouns accepted. Note: You don't have to worry about unintentionally offending me.

I don't value attention when it comes to worldbuilding. I also won't be as active as before on NationStates since education greatly matters to me.

If the forums are robbing you of productivity, I suggest you leave the forums as soon as possible.

MN Represents most of my beliefs minus the leader's rudeness, no multi-thoughts, and herding.

If you are an "True American" or a Patriot, then you shouldn't be flying a Confederate flag, endorsing attacks on civil rights, or supporting Putinist Russia.

They are definitely from Croatia. Don't know exactly where, but at least in that country.

Edit: Ninja'd, but still refering to the Croat-possibly-part-Brit.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.
