Zephyrs // Frums, from the album [GRIMGROOVE](#).
Listen [here](#) if you're interested.

Diverse System is a Japanese doujin (indie) music company; I'm just using their name as the nation's name. As long as YsK (their director) doesn't catch me this nation will continue to exist, I suppose.
I plan to reference more parts of doujin music in my factbook(s), but that hasn't existed yet (as of now).
I promote/review doujin music on Twitter/Facebook as well; if you're interested check out the various links below.
