Have I been here long enough to be considered an NS elder yet or no?

Hmm. Wasn't aware of that rule. I'll change it (or maybe stop using this puppet because that flag was literally the entire point of creating this).

10/10 it's like from a comic book or something.

The Commonwealth of Yawkland

A democratic and prosperous, but insular nation founded by wealthy Anglo-American Protestants and British aristocrats in the 1860s. Today it is run by their fashionable descendants who enjoy playing squash and participating in the latest diet fads.

Intensely mistrusting of outsiders, especially Catholics.
