Man couldn't murder everyone though! Man was hardly able to even scratch Aila, and she hides the rest of the crew in a separate module that is designed to be well hidden from the main ship. This module is a fully functional ship in itself, and Aila pilots it out of the station with a GPS instrument following Man's module.

*Man was the impostor.
0 impostors remain.*

75 minutes later, their paths cross again, and Aila blasts Man's ship with a *p l a c e h o l d e r i u m* powered plasma gun, sending him plummeting back to Earth where he gets incinerated in the atmosphere.

The nazbol party collapses and splits into the National Socialist Party (n@zi) and Communist Party. Man is ousted from power and America goes into another civil war between the nazis and commies. Democracy is not evident. Man still lives though but he must choose one side...

This nation does not entirely express my views. But my sig does!

Pro: Capitalism, free market, Republicans, LGBTQ+ rights, religious rights, Separation of Church & State even though I'm Christian.

Against: Too much government regulations, homophobes, islamophobes, the type of liberals I have in my mind, people on all the extreme parts of the political compass, people that assume all Christians are homophobic and transphobic

Hipler's philosophy is the exact opposite of Hitler's, though, and the Supreme Man Empire of Canada wins the war and becomes one of the best places to live around the world.

Man is in his governmental office when he hears a tune that gives him a sense of déjà vu (Salivili hipput tupput täpnyt äpnyt tipput hilijalleen...). He looks out his open window and sees... Hacune Miku in a trio with Jean Sibelius and Eino Kettunen?

"Sibelius? I thought he had been dead for 85 years, and now there is a music software system named after him."

Man finds Jesus, repents and turns himself in. Man awaits sentencing.

The Spiritual Republic of Caryton

(CARYTON VIDEO)

A serene & puritan 80s-90s tech agrarian Christian fundamentalist nation with no separation between church and state. Wide prairies, fertile plains, archaic clothing, clean skies, lack of modern influence, universal prohibition, kind societies, and simple austere lives forge the Carytonic identity.
