You're No Good For Me, Warsaw.

If you say that, then that means you listen only to Lady GaGa, and Justin Bieber, and other "artists".  
Good music is good music. Mainstream isn't even music.  
You know nothing about music. That song is just a rock song with screaming people in it. Anyone can do that, that isn't real talent. I

can just go to a studio and record myself screaming with music in the background.

Except that's a completely retarded statement.

**HorusLand wrote:**

Oh boy here we go. "Only things i like are art baecasuse i a so special i am teh arbitrator of art (: " you further prove you don't know jack shit. Define music.

**HorusLand wrote:**

hurf durfffff

**HorusLand wrote:**

"i don't like it so it's not music" yeah no that's completely wrong. Define music. Hint; positive adjectives do not factor into it. Harry Potter isn't a book because I don't like it. derrr.

**HorusLand wrote:**

You know nothing about music.

And then immediately following this sentence you make a series of ignorant, moronic statements and further demonstrate you don't know jack shit!

**HorusLand wrote:**

That song is just a rock song

No it's a post punk song, and a very good one.

Oh wow it's like a post containing every ignorant statement try hard music elitists make. Yeah sorry no, talent is completely irrelevant to how good music is.

“HorusLand wrote:

"One of the most critically acclaimed and renowned and influential post punk bands is just screaming with music in the background".

Why do I bother. you're going to ignore this post, or if you reply, back peddle - failing that spout further ignorance till you give up and further develop your lack of knowledge.

Contract, Gang of Four.

Sorry make that "talentless rock music wif screemy people!!"

Yea, right, most known, that's why when it has 40 000 views. I didn't say that what I don't like isn't music. Never said that. The fact that you presume that gives the impression that you think you're the most important in the world. You said I don't know anything about music. Stop arguing about these things, because if you don't like it, THEN IGNORE IT. If you don't like does not mean it's not music, okay? This is a thread about music, not you coming and saying that people know nothing, but you know everything. Subject ended.

I haven't seen that on a shirt. The first video is a series of beeps whirrs, and other things, the second one is mainstream. I won't waste my words on people who don't understand my explanation of mainstream. Posting a good song isn't ignorant. What you just said is really crazy. And , I'm repeating, because you just wrote nonsense as a reply:If you came here just to argue, then you are really not interested in music, but in making a bad impression. If you don't like it does not mean it's not music, okay? And, this is a thread about music, not you coming in and telling people they know nothing. YOU know nothing, maybe, and that's why you're starting this argument. But, whatever the reason, stop arguing. SUBJECT ENDED.
