🏳️‍🌈 All pronouns accepted. Note: You don't have to worry about unintentionally offending me. I can't take social media 100% seriously anyway.

If the forums are robbing you of productivity, I suggest you leave the forums as soon as possible.

If you're on a thread that appeals to you and already wasted a minute trying to come up with a witty post, I believe the chances are you would be better off doing something else.

Possibly developing cyberphobia (specifically for the NationStates forums)
