I swear I might have seen them before as an older nation. It starts with... N, something.

And it's a black and read background with a lightning bolt.

I've seen them around the forums a little, and I imagine a lot of others have too. As such, I'd say fairly well known.

Nation looks pretty new (despite player being from 2016) but I love the flags and I'm sure you'll become more well-known soon.

Although just seeing them for the first time, they might be just known, since active once are sometimes very well known, but I'll give Minskiew a well known by some instead of known.

Intermaria is considerably well known throughout NS, even though they are a recently new nation, I have seen them a great many times, every time I see them, I feel excited to respond to them, they are also very kind from what I've gathered in our interactions, and I hope to see them more often from here on.
