Song: [Bismarck - Sabaton](#)

Artist: Sabaton

Info: Power Metal band Sabaton, released this stand alone song as a thank you to their fans AND as a tribute to all those who lost their lives in the Battle of the Atlantic in WW2. The song itself is obviously about the german battleship, The Bismarck and how it was chased down and sunk.

Song: [Wolfpack - Sabaton](#)

Artist: Sabaton

Info: A song about the ambush and destruction of convoy ONS-92 by the Wolfpack "Hecht" or Pike. Mutiple allied ships were sunk for no submarines lost.

Song: [Price of a Mile - Sabaton](#)

Artist: Sabaton

Info: One of the more somber and saddening song by the band, The Price of a Mile is a song that asks the question many before have asked. "Was one mile worth the price paid in blood?" and it is answered with no.

"Gott Mit Uns!"

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
