Psychotic Dictatorship

by **Ignis States** » Tue Jun 25, 2019 5:21 pm

From either Missouri or Mississippi. Pretty sure it's the former since the latter is a lawless Bronze Age wasteland.

What happens when you cross anime powers and overpowered leaders with furies, all written by a bored Homestuck fan with too much time? Well, you get Rumei. A multiethnic, FT republic with both might and magic that let it conquer the entire Orion Arm.

A 7.6 (this is probably outdated but I can't do the calculations rn) (Tier 9, Level 6, Type 9) according to [this index](#).
Come to The Orion, we got [CULTURE](#) and [FURRIES](#)

Show Recommendation: Cobra Kai. It is very, very good.

IC Name: Roman Republic, or simply Rome (Rumei). Occasionally called the Ignisian Republic. Current year is 2697.

America or South korea

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
