[Tiger Army's cover of "Oogie Boogie's Song"](#). It's pretty good, but there needs to be a bit more emotion in the voices. I like the original too.

Hirax - The New Age of Terror

*Violence breeds violence, bitter fighting  
You kill in god's eyes, it's a sin  
Religious wars, have murdered more people  
The masters of hate they will win*

*You'll burn in hell for the lies that you've told  
Satan he possesses your unsaintly soul  
Confess human suffering the pain you have dealt  
Justify sending your soldiers to an early grave*
