Since I don't even care about my own anthem, or know the words to it for that matter, I definitely wouldn't be butthurt about it.

United States of America, the most overrated self-centered country in the world.

Or something like that.

At least I'm a night owl, otherwise I'd be screwed right now. If I forced myself to stay up, I could probably last until 10 or 11 am (it's almost 7 here)...hopefully it won't take that much longer though.

is listening to same song again

EDIT: Aaand I just realized I finished copying my 500+ songs playlists...off to bed then.
