Never seen them before, from number of posts and founding date I'd assume a lot of people have never done so too.

Never seen them

Fyddin is a kind yet isolationist nation with a Parliament, Grand Court, and Jarl which serves a presidential role. Though laws may be strict, all decisions are made for the average benefit and safety of the citizens. The fishing trade is thriving, weed is legal, and the people are happy.

Pretty much. I have seen them lurking around the forums a lot of times and their dispatches get critical acclaim. I won't doubt that Majapahit is one of those known by many here.
