Red Hot Chili Peppers - Californication

Another generic Westernized/Japanized nation with some Eastern stuff to it. Nothing special.

Also does not use NS Stats (*I have written factbooks, dammit!*)

All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.”

Xasthur - Doomed by Howling Winds ('05)

*The wind cast a ruin upon my soul  
The night is dying, yet we cursed the dawn, each mourning, upon a  
festering grave  
The moonlight has no shine through the doom  
The burning corpse of god shall keep us warm in the doom of  
howling winds  
For we are a race from beyond the wanderers of night.*
