["Ghost Love Score" by Nightwish](#)

One of the few Nightwish songs I like nowadays. I used to be a huge Nightwish fan but it kinda died away for some reason.

I've had that a few times. It's like when I first got into Dubstep, I was listening to Skrillex constantly. Then I found Excision, Noisia, and other bands, and I kind of abandoned Skrillex. Now I kinda abandoned Dubstep altogether at the moment.

I know this may sound kinda bad.....but that kind of classical music has always just bored me for some reason. Not sure why, but it does. It may be incredible, and one of the great musical pieces, but it just doesn't grab my interest.

And I'm not against classical music in the slightest. I remember a period when I listened to music like this a lot more (When I was like 8 or 9), but now I listen to other types of classical music.
