They have cool magic, they have awesome tastes in music (like Ariabl'eyeS), they have great tastes in fashion, very awesome architecture, Nekos and cute locale (anime gril)!

I will live there and wear Gothic lolita frilly dresses all day and become a Gothic lolita and a magical anime girl myself! ☐☐

YES!

Hell no! I'd rather live in North Korea than living in there!

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

They're pretty militaristic, but on the bright side they're also very progressive and developed. I'd love to visit there, and possibly ally with them, but not necessarily live there due to the aforementioned militarization.
