I felt like going on a power trip, and thought to myself "Hey Ell, what nation/faction would be possibly the most overpowered one you could create?" And somewhere in my head the name "The Combine" screamed. So this is exactly what I'm doing! Pray that the Union doesn't notice you, because it probably won't.

"To a world of liberty and equality for all!"

A council communist federation that emerged from the ashes of a period of mass social upheaval in North America.

This nation takes place in a world where humanity is in the early stages of expanding into space.

It doesn't seem too menacing, so I'd say 140 out of 666.

The Onigiri Enclave is a highly progressive scientific largely secularist nation welcoming to all (as so long as you aren't a bee or a jaywalker).

Umm... that flag has a skull on it. And spears. And... dynamite? Or a siege tower? Or a palisade wall?

Still though. The skull.
