Other than a small degree of recognition in some Forum 7 threads, this nation isn't really known at all yet. That's fair enough though, they were founded very recently and based on the quality of their posts, they surely won't be forgotten or ignored when they do post.

"We won't be taxing, bureaucratic hypocrites forever!"

*We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as **Caligulas Legion!** Suck it and die from your 'headaches', you bald b*stard.*

*Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join **Calexico and Mexicali** then, moron.*

*Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our **Embassy Program***

I saw them a couple of times. I would say that they are still quite unknown, but they are beginning to be recognizable.

Yeah, I kinda still remember you from mid-2021, I wasn't really that active back then tho. I popped back in my main point around May this year, and you seemed to be inactive during that time. **/skip**
