"Where Fires Burn Frozen" - Gladenfold

Are these "human rights" in the room with us right now?

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is  
You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

U2 - I Still Haven't Found What I'm Looking For

From *The Joshua Tree* (1987)

*I have spoke with the tongue of angels  
I have held the hand of a devil  
It was warm in the night  
I was cold as a stone*

*But I still haven't found  
What I'm looking for  
But I still haven't found  
What I'm looking for*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to*

*change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Queen + Adam Lambert - I Want It All

[Live at Kiev, June 30, 2012](#)

*Adventure seeker on an empty street  
Just an alley creeper, light on his feet  
A young fighter screaming, with no time for doubt  
With the pain and anger can't see a way out  
It ain't much I'm asking, I heard him say  
Gotta find me a future move out of my way  
I want it all, I want it all, I want it all, and I want it now  
I want it all, I want it all, I want it all, and I want it now*
