Had to check mine ☐  
I have three bands at 200 or over. Motörhead 272, Anal Cunt 231  
and Black Sabbath 200.

Iron Maiden - The Thin Line Between Love and Hate

As you can tell, I don't listen to one band specifically over and over  
again that much ☐ I jump around way too much. For now, anyway.

I think I have over 20 or so that are at 100 now, though.

The Knife-Stay Out Here

Weirdest duo song ever.

Grails Black Tar Prophecies: Part 4, 5, and 6 album showed up on  
Spotify, so I know what I'm listening to now.

4 and 5 were released before, but 6 was never released. They seem  
to do 3 EP-like albums and then release them as a big bunch of  
albums

Grails-Self-Hypnosis

Probably one of my favorite Grails songs ever.

I didn't really listen to them over and over again. When looking into my library, Motörhead has 273 songs, Anal Cunt has 267 and Black Sabbath has 178. I think Klamydia will be my first band to hit 300 since they have 292 songs and I'll listen few of them quite frequently ☐

I practically got to 200 with The Residents by listening to all their stuff on Spotify.

Tangerine Dream had 300 but I didn't really feel like going through all of them.

I also got something like 130 scrobbles of Melt Banana...In 4 hours. They have a 28 minute long album with 30 songs on it

Various ones got up pretty quickly just from going through their stuff.

Easily the best Maiden song.
