U2 - The Fly

From *Vertigo 2005: Live from Chicago* (2005)

*It's no secret that a conscience can sometimes be a pest
It's no secret ambition bites the nails of success
Every artist is a cannibal, every poet is a thief
All kill their inspiration and sing about the grief*

*A man will rise (Love, we shine like a)
A man will fall (Burning star)
From the sheer face of love (We're falling from)
Like a fly from a wall (The sky... tonight)
It's no secret at all*

Male, 23, Indonesian

Major partner in free association with [Faraby](#) (that's my puppet/secondary nation IRL).

[Factbook](#)

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Leave behind what you already packed
Your destiny is to carry this package
