10/10

Whenever some unsuspecting soul looks at this flag, they don't scream... at least not yet. Firstly, they're filled with dread when they notice the dark aura that surrounds the image. That dread cultivates into fear when they spot the mystifying being. It's only when that fear turns into horror when they realise what the creature is. They scream their entire soul out, face melting, at the evilness that consumes them...

or if you're not a summer poster it's a 0/10 because you've just been saved by Dearest Leader's most loyal disciple (not that Dearest Leader needs any disciples as he is perfect enough himself, but it doesn't hurt to have a some).
