May not be well known for being in Forum 7 but is very well known for their impressive NS Stats

Autore possibile, Entro i

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.

Despite being rather new, Alpistan has been quite active in several forums such as F7, International Incidents, and at times, NSG. If they are not relatively well-known by this point, they are on the way to.
