We need a bigger house

Just imagine a Neutral underground dictatorship who likes to trade. There you got Takantionstan. Also Rigel pact member

Father of [Barcus Nation](#) and [New-Lamp Dynasty](#), so yeah i got alot of factbooks to work on considering that i have like a billion more nations to work on..... if you want to see thing i am working on the most, i would go to Lamps "Overview" factbook, currently making a much awaited overview for Lamp there. Otherwise give me time.
