Right now I seem to just be grabbing random stuff.

### [The Kiliminjaro Darkjazz Ensemble-All Is One](#)

As is probably easy to guess, this band is a jazz band that plays dark music. I only know this song so I decided I might as well check out a full album.

[The Kiliminjaro Darkjazz Ensemble-White Eyes](#)

Just looked up their genres. Darkjazz, Jazz, Ambient, and Electronic. Seems right to me. I heard a bit of electronic in one song and their music definitely feels slow and ambient.

[http://www.youtube.com/watch?v=IPjW\\_9KZo8M](http://www.youtube.com/watch?v=IPjW_9KZo8M) --- Hide And Seek, it's a good song, I love the artwork with the video, it adds to the sombre/dark/scary tone of the music.
