Nah, I don't think so.

We do not use NS Stats or Policies

I'm trying a different approach with this particular nation, so feel free to telegram me any feedback you may have.

Ehhh? No. I really don't want to be skewered when there's inevitably yet another firefight from the three way war they have going on with Heaven and Hell. Once that stops I'll reconsider.

THE SUFI ORDER OF KABBAHIYYA

An Islamic communalist federation in modern day Bolivia that was originally formed by expelled Sufis from an Empire in Brazil formed by a stranded Malian Mansa.

Having endured centuries of failed outside conquests, the madness of an Esoteric Nazi warlord state threatens to entirely upend the Kabbahiyya.

Definitely, they are a Utopian Democracy!

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.
