Elton John - Tiny Dancer
From *Madman Across the Water* (1971)

*But oh how it feels so real
Lying here with no one near
Only you and you can hear me
When I say softly, slowly*

*Hold me closer tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today*

*Hold me closer tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Elton John - Mona Lisas and Mad Hatters
From *Honky Château* (1972)

*Subway's no way for a good man to go down
Rich man can ride and the hobo he can drown
And I thank the Lord for the people I have found
I thank the Lord for the people I have found*

*While Mona Lisas and mad hatters, sons of bankers, sons of lawyers
Turn around and say good morning to the night
For unless they see the sky, but they can't and that is why
They know not if it's dark outside or light*
