Congrats to Woman on her transition.

Woman decides New Mexico is not new enough, creates Newer Mexico.

*I am cold, can you hear?*

Woman doesn't think Newer Mexico is enough, and creates Even Newer Mexico. Woman dies of too much new.  
New man

I'm too bored to write a signature

Somehow, the Earth's core heating up by another 0.03°C creates a slight disturbance in tectonic activity, with the end result that a volcanic eruption happens in Even Newer Mexico.

Man dies of not enough new.

New man.

Cat uses an intergalactic space translator so us humans can understand cat.

Cat goes to work as a spy for the Wyoming board of safety.
