Parliamentary republic.

Dictator-backed dedication to absolute civil freedoms, ultrabureaucratic pseudo-socialism and heavily-armed neutrality. Fueled by PMT\*/FanT nanopunk schizotech, eldritch red tape and snazzy neo-cold war aesthetics on a broken continent.

Factbooks are currently in the middle of a Big™ Rewrite™, almost everything's out of date and ugly. Don't read them.

Technocracy

**Federal Kingdom of Deltia | Bundskongsriik Deltie**

A PMT right-leaning liberal democracy in OTL Poland that's somewhat Germanic culturally and under a nominal constitutional monarchy with mecha-cops, quasi-workfare, and a very fast-growing economy with blackjack (and hookers!)

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.

Islamic Republic.

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.

I think its a theocracy

**SYNDICALIST STATES OF THE AMERICAN CONGRESSIONAL FEDERATION BROADCAST**

**We are the syndicalist United States that the congress controls the government and the people and workers of the nation, most is government controlled and there is almost no wealth gaps at all, Every citizen is equal in terms of GDP Per Capita, No citizen shall be judged by their race and must follow all laws that are congress approved and must abide by, We may do whatever is for the better of the quality of life.**

I claim Huey Long was secretly a socialist all along. That "Every Man A King" thing sounds familiar.

Constitutional monarchy, parliamentary democracy

This nation is based on (a slightly more extreme version of) my IRL opinions, and I answer issues accordingly.

Current accidental policies: No Sex

Well, you could say anyone was *secretly* anything, but in terms of what he actually did and advocated for, he was basically a social democrat.

Social Democracy’s close enough. That’s basically me, except I’m a DemSoc.

/skip
