UK

Kosernia City is a Rather Large Communist City State Set In The 24th Century. Kosernia City is inside of Kosernia as the capital City with overseas territory such as; India, South Africa, Somalia and Cuba (that's only a few)

Common misconception: We are just a City. No we aren't, we are more like a Soviet Union consisting of Territories all over the world that could even challenge the British Empire.

The USSR don't exist anymore mate

Anyways, I'd guess you're from the US.
