Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.

Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Felix Draeseke - *Symphony No 3*

I have a tendency to listen to arguably 'forgotten' composers and Draeseke is no exception. As of late, the typical masters have been replaced with less prominent Romantic composers with the notable exception of Zelenka. Any suggestions? I've been told Medtner is quite good by some but others have said he's mediocre compared to his fellow Russian émigré composers; there is only one way of knowing.

Das Publikum beklatscht ein Feuerwerk, aber keinen Sonnenaufgang.
