Radiohead - No Surprises

From *OK Computer* (1997)

*A heart that's full up like a landfill
A job that slowly kills you
Bruises that won't heal
You look so tired-unhappy
Bring down the government
They don't, they don't speak for us
I'll take a quiet life
A handshake of carbon monoxide*

*With no alarms and no surprises
No alarms and no surprises
No alarms and no surprises*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

From *Made in England* (1995)

*I believe in love, it's all we got
Love has no boundaries, costs nothing to touch
War makes money, cancer sleeps
Curled up in my father and that means something to me
Churches and dictators, politics and papers
Everything crumbles sooner or later
But love, I believe in love*

*I believe in love, it's all we got
Love has no boundaries, no borders to cross
Love is simple, hate breeds
Those who think difference is the child of disease
Father and son make love and guns
Families together kill someone
Without love, I believe in love*

Elton John - Your Song

From *Elton John* (1970)

*And you can tell everybody this is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world*

At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

The Kinks - Waterloo Sunset

From *Something Else by The Kinks* (1967)

*Dirty old river, must you keep rolling, flowing into the night
People so busy, make me feel dizzy, taxi light shines so bright
But I don't, need no friends
As long as I gaze on Waterloo Sunset, I am in paradise*

R.E.M. - Everybody Hurts

From *Automatic for the People* (1992)

*Sometimes everything is wrong
Now it's time to sing along
When your day is night alone (Hold on, hold on)
If you feel like letting go (Hold on)
If you think you've had too much
Of this life, well hang on*

*Everybody hurts
Take comfort in your friends
Everybody hurts
Don't throw your hand, oh no*

Coldplay - The Scientist

From *A Rush of Blood to the Head* (2002)

*I was just guessing at numbers and figures
Pulling your puzzles apart
Questions of science; science and progress
Do not speak as loud as my heart*

*Tell me you love me
Come back and haunt me
Oh and I rush to the start
Running in circles, chasing our tails
Coming back as we are*

*Nobody said it was easy
Oh it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start*
