Fascist pro-penguin police state

A unitary self-proclaimed people's republic in the eastern Katic region. Rising after overthrowing a fascist government and constantly dealing with communist insurgency.

Long live the United Republican Army!

Apart from fascist (we're state corporatist, which is related to but not exactly fascism) and pro-penguin, you have correctly stated our type of government.

Autocracy.

This nation is what happens if I stretch my ideology, until I can't no longer agree with it. Including the Kaiser.

Traditionalist, Identitarian, CHAD, Ultra-Nationalist, Monarchist.

My political compass (I'm not a Nazi, I swear.)

Corporate Autocracy

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.

A nightmarish take on Syndicalism

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.
