Melt Banana is another one of those bands I appreciate what they do but don't really find myself being able to listen to them much. But it's not exactly surprising. They're pretty much a punk band, after all.

Sounds like grindcore

Peer Günt - Let Her In (Live)

One song after this and then off to go through my backlog.

Peer Günt - Liquor and Drugs (Live)

Vocalist says: "Well, we're gonna play something slow". Then they started this. One of their fastest songs

One of my favorite Melt Banana songs, and one of the least punk-like ones. Go figure.

Sounds about right. I have one EP and one album by Terveet Kädet (Finnish HC punk band, really popular in Brazil) and their songs average around 1 minute. (28 songs, 28 minutes)

Peer Günt - No Guts No Glory

Screw backlog, I'll keep on listening to Günt while playing Killing Floor with friends.
