Godspeed You! Black Emperor - Bleak, Uncertain, Beautiful...

If nothing exists, where did this anger come from?

It sounds like you are describing the music, not mentioning a song name

Part of me feels like listening to Godspeed You! Black Emperor but another part just feels like listening through music and not listening to really long songs right now. Especially since I feel totally braindead lately so I'm just sitting here doing absolutely nothing useful, and just sitting here listening to 20 minute songs isn't really what I want to do.
