Trigger The Bloodshed - *Impregnable Miscreation*

CVT Temp wrote:

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

*Bijna niemand weet het, maar soms op het juiste feestje???, ik hou wel van een beetje spacen
Alles is mooi en iedereen is liever
En elke chick is mooi, ja ze zijn allemaal mijn type
Geen stress, geen stress, ik ben zwevende in deze
Zonnebril op, beter kom ik niemand tegen
Maar hier in deze?? nigger never van mijn leven
Ik vraag Sjaak, wat heb je me gegeven?*

Genre: Hardstyle

*'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me

You're my end and my beginning
Even when I lose I'm winning
'Cause I give you all of me
And you give me all of you, oh oh*

Title: Happy home
Artist: Hedegaard (Remixed by 'HeatWavez')
Genre: Hardstyle
[Link](#)

*'Mama called about the paper turns out they wrote about me
Now my broken heart 's the only thing that's broke about me
So many people should have seen what we got going on
I only wanna put my heart and my life in songs
Writing about the pain I felt with my daddy gone
About the emptiness I felt when I sat alone
About the happiness I feel when I sing it loud
He should have heard the noise we made with the happy crowd
Did my granddaddy know he taught me what a poem was
How you can use a sentence or just a simple pause
What will I say when my kids ask me who my daddy was
I thought about it for a while and I'm at a loss
Knowing that I'm gonna live my whole life without him
I found out a lot of things I never knew about him
All I know is that I'll never really be alone
Cause we gotta lot of love and a happy home*

*I thought I would be the only one

Sparzanza - Alone with a Loaded Gun

Electric Wizard - Funeralopolis

*I don't care, this world means nothing
Life has no meaning, my feelings are numb
Faceless masses filed like gravestones
Sacrificed for the glory of one
Funerary cities, flesh press factories
Corporate maggots feed on the carrion
Funeralopolis, grey morgue apocalypse
Black clouds form to block out the sun*
