Oh...darn, how do I keep doing things like this?! Well, the album WAS named Sheer Heart Attack...ugh. I'm done making comments about what I know about music, someone always seems to find a way to disprove me...

Sorry. I had no bad intention.

Queen- You're My Best Friend

No, it's not you most of the time...I'm just tired of arguments that never get me anywhere.

never get me anywhere.

Oh, you go somewhere. You might not like where you go, but you do indeed get somewhere. Arguing helps both parties to expand their understanding. That's why I enjoy it. ☐

Chris Cornell - Thank You (Acoustic)

<3 Cornell, and this is an epic cover of an awesome Zeppelin song. T's from the also awesome acoustic gig in Sweden.

About to listen to his other acoustic solo collection, Songbook :)

[Silent Whale Becomes A Dream-As Walking On Canopy](#)

Nice song. Wouldn't call it the best and most creative Post-Rock, but nice song.

Edit: I've only listened to the first 7 minutes, though.

Edit 2: I find this song to be really quite "Powerful", but not my favorite Post-Rock. Still good, and deserves a listen. It's kinda like Mono where they feel like good soundtrack music.
