I think I'm gonna score, and then I never score. It's not fair. We've travelled, um, a hundred kilometers 'cause we thought we were gonna score. But now it's not gonna happen. Damn it! I'm sick and tired of this! We're never gonna score. It's just not gonna happen! We're never gonna score! We're never gonna score! WE'RE NEVER GONNA SCORE!

If you want the scores, play some Giga Wing. Then you will get scores like no other!

Me, a fascist?! They think so; in their words: "Far-left neo-Valentinist party "Democratic" finally banned after investigations find that it sponsored anti-Selanese movements overseas."

And they say their lore is not connected to any other nation... This has to be a giant coincidence. Why would you be hated by Selania? I'm pretty sure everyone likes you as you literally have a commendation.
