Burma

It is 540 BCE, Cyrene is just one single 15 hectare Greek/Hellenic city. But it is also the only city in Cyrenia(and Libya). Hence the rulers of Cyrene claim to be rulers of the entire Africa East of Egypt and west of Carthage. It is the most isolated Civilized settlement in the world, yet it has managed to flourish well through trade and learning with the Hellenic world.

I use all NS stats, but issues are slightly altered to make a more interesting story and fit the Antarctica 3 canon.
